

3 Reasons to Choose R TEX

REASON # 1 We Save You Money from Day One!

- ✓ Initial purchase cost of R Tex product is much lower than any other equivalent alternatives.
- ✓ The ease of installation will reduce your labor costs on set-up and take down.
- ✓ You can take advantage of our money back, satisfaction guaranteed trial. Yes we are that confident that our products will provide the best 'bang for your buck'. Try it with no risk, if you're not happy, simply send it back. Who else will do that for you?
- ✓ Cost effective.

REASON # 2 We Give You Practical Benefits to Enjoy.

- ✓ Simple, smart, safe are the foundational attitudes we have taken with each of our designs. Look at the benefits – what's not to like about simple, smart or safe?
- ✓ It all works with the scaffold equipment and planks you already own.
- ✓ You will enjoy passing a safety inspection with ease!
- ✓ Workers surveyed always express serious excitement about using our products. Every businessman knows the value of happy workers.
- ✓ Our unique product is designed to fit and become part of your scaffold system. This means it is of no use to other trades. The result is high product retention; it all comes back from the job site. Nice!
- ✓ General contractors are both grateful and impressed when a subcontractor implements our level of safety on the jobsite. We can prove that to you!
- ✓ Our products are not heavy, bulky or awkward in shape, making them easy to store, handle and transport.
- ✓ Rugged steel construction with powder coat finish promises longevity. You won't need to replace any of it for a long time.
- ✓ Have peace of mind knowing that your purchase is covered by an iron clad 100% Warranty against defects in material or workmanship for 5 years. Who else gives you that?

REASON # 3 We Value a Relationship with You!

- ✓ We strive for excellence and put our customers first. We value longstanding relationships.
- ✓ R TEX accepts responsibility to stand behind our products well past the point of sale.
- ✓ We believe it is important to be equally accessible to those who have purchased our products as well as those who are interested in purchasing.
- ✓ Our company has technical and training information available on the website 24-7. Personal support is available 5 days a week during regular business hours. We welcome all enquiries.
